 WIDELY RECYCLED CONTAINERS & CAPS HDPE	 WIDELY RECYCLED LABELS PP
 Biodegradable SOLUTION	 Recyclable & Biodegradable BOXES/CARTONS

Next time you finish a G9 product, please recycle it! It's a small act that can make a G-REAT difference.

www.g9chemicals.com

Always rinse bottles thoroughly before recycling. For more information on recycling G9 products, please visit our website.

This poster/wall chart will be updated periodically when improvements to our packaging and formulations filter through.

If you have any questions about recycling, please ask your veterinarian or a member of the sustainability team. Thank you for recycling G9 products!
